

NON-RAFTER PROGRAM for kids under 8
 Children 8 and older are welcome on our Class III South Fork American river trips but for families with kids under 8 we offer our non-rafter program where one parent pays full fare for a two day trip and the other parent pays \$52 for camping and all meals (except lunch the 1st day) and this includes one youth under 8. This program allows one parent to raft the first day and then they can switch and the other parent rafts the second day. This program also applies if you have a non-rafter that wants to camp and have meals with you, but not raft.
